Profile

Masters Degree in Electronic Media, with a design background in multiple disciplines. Have done a variety of web development projects, independently and in a team effort. Recently won an award from PASSHE for a design contest. Looking for a position in (new) media or media production to sharpen my skill set.

Experience

Intern Online Desk, The Morning Call; Allentown - 2010

Shot and edited multiple video projects, wrote scripts for and recorded radio news bulletins, created photo galleries, and worked on several other projects.

Graduate Assistant Disability Services, Kutztown University - 2008-2009

In charge of note taking services for students going through Disability Services at the university. Managed approximately 150 students providing services to students with disabilities.

Web Manager, The Keystone; Kutztown - 2009-2010

Took care of publication of stories, multimedia for stories, social media posting.

Webmaster Student Services & Campus Life; Kutztown University - 2007-2008

Managed, designed and maintained multiple department web presences on the Kutztown University website

Webmaster; Eckhaus Art Gallery - 2007-2010

Designed, managed and maintained Eckhaus website with current event information, photos from previous shows, etc.

Intern Usability Research; Concept7, Groningen, The Netherlands - 2007

Designed and conducted usability research into the effectiveness of the use of AJAX techniques in web pages.

Intern Web Development; Tiekstramedia, Groningen, The Netherlands - 2006

Worked in the web department of a design company offering design services for print and web. Mainly did front-end development of projects, building HTML+CSS templates and implementing Javascript capabilities.

Education

Hanze University of Groningen, The Netherlands - Multimedia & Design - 2007

Kutztown University of Pennsylvania, United States - M.S. in Electronic Media - 2010

Skills

Web Development (W3C standards based and accessible HTML, CSS, Javascript), Design (print & web), Video (shooting and editing), Photography (shooting and editing)
